Border Express at LOGIC Wodonga

The Border Express warehouse complex located at LOGIC Wodonga, Australia's new freight hub, provides a seamless logistics interface to Border Express customers throughout Australia.

Border Express is a family owned and operated national freight company based in Albury Wodonga. With over 40 years of transport industry experience and knowledge, Border Express is a leading independent carrier with multiple warehouse and distribution facilities across the country.

Collaborating on lean supply chains is fundamental in the relationship between Border Express and its customers. LOGIC Wodonga is ideally placed to build on this relationship with an integrated logistics facility that can reach 85% of Australia's population overnight.

Why LOGIC Wodonga?

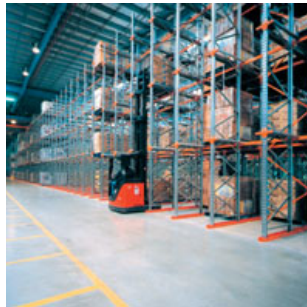

- ▶ Strategically placed with overnight freight services to Sydney, Melbourne, Canberra and Adelaide – representing 85% of Australia's population.
- ▶ Major tenant is the Woolworth's Distribution Centre (comprising 58,000m²).
- ▶ Is located at the intersection of the Hume Highway and Murray Valley Highway, 14km west of Wodonga.
- ▶ Has full freeway interchange.
- ▶ B-Double access on 2 highways.
- ▶ Easy and direct connections to Melbourne and Sydney ports.
- ▶ 24 hour operations permitted.

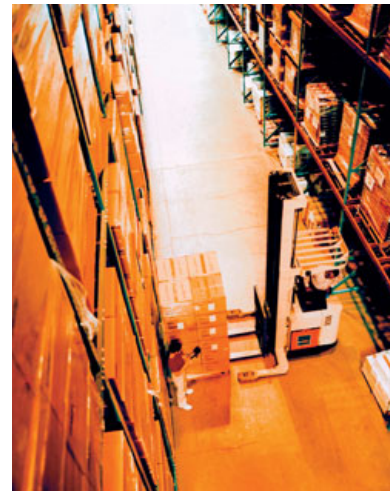

Why use Border Express at LOGIC Wodonga?

- ▶ Proven record of providing exceptional service and continual flexibility.
- ▶ Supports a national distribution network based in Albury Wodonga.
- ▶ Family owned and managed with family values.
- ▶ Operates a full (FTL) and less than full load (LTL) express freight business nationally on a daily basis.
- ▶ Operates over 250 trailers.
- ▶ Handles containers over Melbourne and Sydney wharves daily.
- ▶ Delivers containers into the Albury Wodonga region.
- ▶ Experienced senior transport managers across the group.
- ▶ Freight terminals in all capital cities including Canberra, Darwin and Hobart.
- ▶ Substantial warehouse capacity next to Woolworth's Distribution Centre.
- ▶ Incorporates comprehensive IT and electronic system controls.

What services does Border Express offer?

- ▶ Unique distribution facility strategically located.
- ▶ Third party logistic (3PL) service.
- ▶ Computerised Pick and Pack Operation.
- ▶ Short and long term storage solutions, leveraging regional cost efficiencies.
- ▶ Cross docking.
